PROFESSIONAL SUMMARY

MSc Business and Finance candidate at Warwick Business School (graduating September 2026) with hands-on experience in portfolio construction, financial statement analysis, and an independent financial modelling portfolio spanning DCF, LBO, M&A, trading comparables, and Power BI. Seeking graduate/analyst roles in investment banking, asset management, credit risk, and consulting.

EDUCATION & QUALIFICATIONS

Warwick Business School — MSc Business and Finance

Sep 2025 – Present

- Relevant coursework: Corporate Finance, Financial Reporting & Financial Statement Analysis, Financial Management, Banks & Financial Institutions

Symbiosis International University — BBA, Finance and Business Analytics

Jul 2022 – Jul 2025

- CGPA: 7.72/10 (77.2%)

PROJECTS — INDEPENDENT FINANCIAL MODELLING PORTFOLIO

Self-Directed Portfolio Project — 6 completed models, full workings available on request

2026

- Built a 5-year DCF model for a FTSE-listed UK retailer (CAPM-based WACC 10.1%, Gordon Growth terminal value) with a two-variable WACC/growth sensitivity table
- Constructed trading comparables across 11 companies in two sectors (UK retail, global luxury), benchmarking EV/EBITDA, EV/Revenue and P/E to produce football-field valuation ranges
- Modelled a leveraged buyout with a 5-year debt schedule, cash-sweep mechanics, and sponsor return analysis (MOIC/IRR) sensitised across entry premium and exit multiple
- Built an M&A accretion/dilution model for a cross-border luxury acquisition, testing EPS impact across financing cost and synergy assumptions
- Authored a sell-side-style equity research note combining DCF and comps valuation into a target price and recommendation
- Built an interactive Power BI credit risk dashboard on a 150,000-record lending dataset, using Power Query cleaning, risk segmentation, and calibration analysis

WORK & LEADERSHIP EXPERIENCE

Boots UK — Customer Advisor (Part-time)

Sep 2026 – Present

- Assess customer needs and recommend tailored solutions, applying a consultative, client-first approach
- Resolve customer queries and concerns, ensuring every visit ends positively; consistently recognised in customer feedback
- Maintain stock accuracy and availability, identifying discrepancies and ensuring timely, correct replenishment

Konfyans Charitable Public Trust, New Delhi — Finance & Project Team Intern

Jul 2025 – Sep 2025

- Coordinated deliverables across a 4-person cross-functional team, ensuring on-time completion of departmental objectives
- Recognised by supervisors for adaptability and ownership, earning increased responsibility over the internship

IndusInd Bank, New Delhi — Finance Intern, Finance Department

Apr 2025 – May 2025

- Designed a customised client investment portfolio, aligning asset allocation with individual risk appetite and financial goals
- Analysed equity, debt, and hybrid mutual fund structures across 3 asset categories to evaluate market performance trends, strengthening data-backed product recommendations
- Mapped 10+ financial products to client objectives across advisory sessions, improving consultative communication and solution-alignment skills

Indraprastha Gas Limited, New Delhi — Finance Intern, Finance Department

Jul 2024

- Performed financial performance analysis across 3 fiscal years, identifying key trends in revenue, margin and cost structure
- Benchmarked financial data against 4 industry peers, providing insights to strengthen IGL's market positioning and efficiency
- Evaluated the company's CSR report for financial impact, regulatory compliance, and alignment with sustainability objectives

EXTRA-CURRICULAR EXPERIENCE

- Completed a Collaborative Online International Learning (COIL) course with Amsterdam University of Applied Sciences, developing cross-cultural collaboration and global business understanding
- Collaborated on a project with IDFC First Bank, applying analytical and strategic thinking to develop practical solutions
- Coordinated event planning as part of the organising committee for the university's Model United Nations conference and Cultural Festival across three consecutive years, ensuring smooth execution and participant engagement
